

Woodward Camera
33501 Woodward Avenue
Birmingham, MI 48009
248-642-1985

A Note to Our Customers about the Coronavirus:

Woodward Camera has been serving Metro Detroit's camera and printing needs for over 50 years and we appreciate the dedication our customers have shown us throughout that time.

The coronavirus is a serious threat. At this time pursuant to Governor Whitmer's order, the store is temporarily closed.

We do have limited essential personnel at the store during this closure and they will be able to fulfill online orders for merchandise and, on a much more limited basis, for processing and printing orders. Our team members will be on site at varying hours so there may be some short delays.

Even when employees are on site the store is closed and the door will not be opened under any circumstance. Please keep yourself and family safe by adhering to the Governor's order and remaining at home unless necessary so we can all get through this in as short a time as possible.

For those wanting to drop off film for developing we do have a drop-box with job order envelopes available outside. We have also attached a copy of the envelope as the second page of this PDF so that you can print and fill it out prior to stopping by. As always, digital orders can be placed on your computer, tablet or phone at www.woodwardcamera.com.

Keep in mind that staff is limited and the lab will only be in operation if the workload requires. Orders will be fulfilled as soon as we can and we will ship them out as soon as they are completed.

If you have a print or photo gift order that was ordered prior to our closing on March 23, we can ship your order to you. Please call the store and let us know. If you don't reach us when we are on site, leave a message. You can also email cameras@woodwardcamera.com to request order shipment.

If anything changes we will keep you up to date on our [Facebook page](#).

We hope to see you soon.

The Weidner Family
