

CAPABILITY STATEMENT

www.twraftery.com

For over 50 years TWR has been manufacturing turnkey window treatment and bedding solutions for commercial markets. Since 1976 TWR has been working with the federal government to provide the best value products to our military service members. Our "straight-line" approach as a manufacturer, selling direct to the end user, enables TWR to provide superior quality and service at highly competitive prices. Our office and factory are located in Hartford, CT. All of our products are proudly **MADE IN THE UNITED STATES OF AMERICA**.
