

Thomas W. Raftery

COVERING THE WORLD IN QUALITY

Quick Ship Cubicle Curtains

TWR can produce quick ship cubicle curtains in any size. Available with or without Mesh Headers.

Our in stock 72" wide fabric is anti-microbial and flame retardant to pass NFPA 701

Safe Hands "Shield"

TWR manufactures a Safe Hands "Shield" for existing cubicle curtains. This anti-microbial, anti-static and flame retardant cover will protect the area of the curtain that is most touched by hands. The Safe Hands "Shield" can be wiped clean and disinfected. One Snap holds it on the top part of your curtain, with a magnetic bottom to help keep it place. Available in Packages of 10 each. Colors: White, Beige and more!

TWR Cotton Masks

TWR is now manufacturing cotton face masks. Fabric is 100% plainweave, white Cotton.

- Washable and Reusable
- Crease resistant, Water resistant
- Not CDC or FDA Approved
- Sold in 50 piece packs - \$250 per pack (plus sales tax in CT)
