Ability Fitness Center, located on the grounds of the Arc of Loudoun, helps people with neurological and developmental disabilities, both physically and emotionally, through therapeutic fitness and wellness.

The unique nature of this fitness center rests in its specific, highly specialized equipment and tailored services that meet the needs of people dealing with disabilities from accidents, strokes and other neurological disorders.

Please join us for a fun evening of dinner, drinks and music, performed by On Easy Street, along with silent and live auctions, in support of Ability Fitness Center. The event will be celebrated on the grounds of George C. Marshall's Dodona Manor in Leesburg, Virginia.
