To whom it may concern:

I have had the pleasure of working with Gavin Oberlin of Pearl Commercial to help us secure the right retail/warehouse property for our business. Gavin demonstrated an ability to understand our criteria, educate us to the opportunities, and represent our interests with the utmost integrity and professionalism. Gavin is the hardest working real estate agent I've ever met and I appreciated his tenacity, resourcefulness and responsiveness.

I am happy to recommend Mr. Oberlin to handle any of your commercial real estate needs.

Sincerely,

Nicole Nuzzo
