***If so, once an applicant has been accepted and enrolls at SDS, a certified copy of the entire court order including the case number and those sections referring to visitation rights and contacts with the school, must be provided.*** The page bearing the judge's signature and court seal is also needed. This copy should include any and all modifications made as of the date of enrollment. It is the responsibility of the parents to inform the principal of any subsequent modifications during the child's tenure at St. Dominic School. *A complete copy of the school's procedures dealing with family custody situations is included in the School Handbook.*
