

# SRA WATCHTOWER

Executive & Board Risk Intelligence

## The Only Risk Management Platform Built for Responsible Growth

SRA Watchtower™ removes the friction, cost and complexity out of risk and performance management, while providing our clients with **hindsight**, **insight**, and **foresight** needed to make insightful business decisions. Strategic Risk Associates leverage our combined 800 years of experience in banking to help clients aggregate 100's of manual processes and critical business indicators to create a seamless integrated solution to manage your business. Watchtower can integrate across each line of business to provide full “transparency” of risks back to leadership and the board, staying fully compliant with regulators.

## DRIVING TANGIBLE BUSINESS OUTCOMES

- ✓ Improved Executive & Board Oversight
- ✓ Enhanced Operational Efficiencies
- ✓ Better Data Quality & Risk Governance
- ✓ Reliable Regulatory Compliance
- ✓ Increased Profitability & Resilience
- ✓ Optimized Financial Performance

“ Watchtower allows us to easily identify our top risks so that we can focus our energies on our most important priorities. ”

- EVP, Senior Risk Officer, BSA & CRA Officer (\$1B Bank)
