

An ERM Platform that Enables Insurance Executives to See the Risk “Big Picture”

Are you prepared if the Board Risk Committee or a Regulator asks for an update on your Enterprise Risk Management (ERM) status? Instead of a fire drill to compile and update spreadsheets from across the company into a coherent report, wouldn't it be nice to have this information readily available in a centralized platform, that can be accessed anytime, anywhere? **SRA Watchtower™ P&C** is an enterprise risk and performance management platform that provides full risk transparency, so Executives and the Board can make more insightful business decisions, while staying fully compliant.

DRIVING TANGIBLE BUSINESS OUTCOMES

- ✓ **Improved Executive & Board Oversight**
- ✓ **More Reliable Regulatory Compliance**
- ✓ **Better Data Quality & Risk Governance**
- ✓ **Increased Profitability & Resilience**

Watchtower P&C integrates Key Risk & Performance Indicators so Senior Management and the Board know our strategic plans are unfolding and what we need to do to “right the ship.”
