

The best way to accept payments with an **all-in-one device**.

SwipeSimple Terminal brings best-in-class software to a sleek form factor.

### All the capabilities of a traditional terminal:

- EMV chip, contactless, and magnetic stripe
- Rugged, compact form factor
- Wired and wireless connectivity
- Built-in receipt printer

### Plus the easy-to-use features of SwipeSimple:

- Easy-to-use interface with advanced features
- Item catalog and inventory management
- Cloud-based transaction history and reporting

# The sleek, all-in-one payment acceptance solution built for today.

SwipeSimple Terminal is a great fit for small business merchants looking for a modern, easy-to-use payment solution, including salons and spas, automotive service and repair shops, medical offices, and specialty food stores.
