

Gathering Grounds COVID-19 Community Meeting II

The following are resources that were shared during the *Gathering Grounds: How is your Tribal or Urban Indian community responding to COVID-19?* Community Meeting on April 7, 2020.

The goal of Gathering Grounds Indigenous Community of Practice is to collect, share and discuss promising public health practices around the selected topics with Tribal leaders, Tribal and Urban Indigenous public health professionals, and content experts. To register for Gathering Grounds visit:
