Long-Term Planning Goals for Technology and ClassLink

• 1 to 1 plan – ClassLink is the “glue”: One-stop access for all apps/files at school and in the cloud
• Simplification of rostering
• Early learning management
• Homegrown Intranet
• Usage analytics
Typical class roster reality...
**ONEROSTER™**

- Open data standard *(CSV files or REST API)*
- Jointly developed in 2015
- Focused on class rosters
- Free

Includes support from

[Logos of various companies]
