## Merebrok

|  |  |
| :---: | :---: |
|  | Early Years |
| Substantive Knowledge | - Develop small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing and paintbrushes. (PD: Reception) <br> - Draw with increasing complexity and detail, such as representing a face with a circle and including details. (EAD: $3 \& 4$ Year Olds) <br> - Create closed shapes with continuous lines, and begin to use these shapes to represent objects. (EAD: 3\&4 year olds) |
| Practical Knowledge (Developing Skill) | - I can experiment with a variety of tools to draw. <br> - I can draw closed shapes. <br> - I can begin to make accurate drawing of people. |
| Theoretical Knowledge | Possible artists portrait to look at: Vincent Van Gogh <br> - Learn about when he lived/died <br> - Learn about where he was from <br> - What type of artist <br> - Why he painted in the way he did. |
| Disciplinary knowledge | Talk with the children about what art is. Why is it made and why people enjoy making and looking at art. <br> Within sessions use the following questions to tease out children's thoughts and opinions of different types of art. <br> - How has this art been made? <br> - What has the artist created? <br> - Do you like it? |
| Vocabulary | Mark making, lines, shapes, self-portrait. |
| Artists/Lessons for completed pieces | - Mark making in sketch book. <br> - 2D shape drawing in sketch book. <br> - Picture of Van Gogh - discussion re: face/features. <br> - Photo of self - discussion re: features <br> - Completed pencil drawn self-portrait. |

## Year 2

- To use drawing to develop and share ideas, experiences and imagination.
- To develop a wide range of art and design techniques in using line, shape and space.
- I can use a variety of tools to draw.
- I am beginning to observe and draw objects of different size and perspective.
- I am beginning to explore using dots and lines to add pattern and texture.
- I can draw a self-portrait with recognisable features

Possible artists portrait to look at:
Pablo Picasso

- Learn about when he lived/died
- Learn about where he was from
- What type of artist
- Why he painted in the way he did.
- Discuss meaning and interpretation of artists self-portraits.

Within sessions use the following questions to tease out children's
thoughts and opinions of different types of art.

- How has this art been made?
- What is the purpose of this piece?
- Have we seen art like this before in other cultures?
- What is art? Why do we create pieces of art?

Draw, self-portrait, face, features, eyes, nose, mouth, ears.

- Feature drawing in sketch book, looking at size.
- Exploration of lines and dots within eyes, lips.
- Plan of face and feature plotting
- Photo of Pablo Picasso - discussions re: face/features/placing of features.
- Photo of self - labelling of parts/feature of face.
- Completion of pencil drawn self-portrait, with evidence of correct size and experiment of lines and dots.
- I can select an appropriate drawing tool for its purpose.
- I can sketch to make quick records or plan.
- I can use a dots and lines to add pattern and texture.
- I can draw a self-portrait with correctly placed features in the correct place and use correct sizing.
- I can see the use of light, dark and shadow in art work

## Possible artists portrait to look at:

Freda Kahlo

- Learn about when she lived/died
- Learn about where she was from
- What type of artist
- Why she painted in the way she did.
- Discuss meaning and interpretation of artists selfportraits.
Within sessions use the following questions to tease out children's thoughts and opinions of different types of art.
- How has this art been made?
- What is the purpose of this piece?
- Have we seen art like this before in other cultures? (Draw attention to influences of art throughout history)
- What is art? Why do we create pieces of art?
- What was the artist feeling when creating this piece?
- What was the message he wanted to portray?
- How would you judge this piece of art work?
- Do you like it? Can you explain/justify?

Draw, self-portrait, features, eyes, ears, nose, mouth, chin, eyebrows, eye lashes, lines, dots, light and dark.

- Explore pencils of different grades.
- Practise of sketching of faces for quick records and placement.
- Exploration of dots and lines to add patterns and details such as eye brows, eye lashes, freckles, lines around eyes/lips/etc.
- In-depth study of drawing an eye - looking at shaping/shading/detailed features.
- Photo of Freda Kahlo - discussion points about artist/features of self-portrait.
- Completion of pencil drawn self-portrait, with evidence of use of different shades of pencils for detail.

## Merebrok

| Pillar of Learning: Painting |  |  |  |
| :---: | :---: | :---: | :---: |
|  | EYFS | Year 1 | Year 2 |
| Substantive knowledge | - Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing and paintbrushes. (PD: Reception) <br> - To explore colour and colour mixing. (EAD: 3\&4 year olds) <br> - Explore, use and refine a variety of artistic effects to express their ideas and feelings. (EAD: Reception) <br> - Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. (EAD: ELG) | - To be able to use a range of materials creatively to design and make products. <br> - To use painting to develop and share their ideas, experiences and imagination. <br> - To develop a wide range of art and design techniques in using colour and pattern. | - To be able to use a range of materials creatively to design and make products. <br> - To use painting to develop and share their ideas, experiences and imagination. <br> - To develop a wide range of art and design techniques in using colour, pattern and line. |
| Practical Knowledge (Developing Skill) | - I can name the 3 primary colours. <br> - I can describe what happens when I mix them. <br> - I am beginning to mix and name secondary colours. | - I can name all the primary and secondary colours. <br> - I know what primary colours are mixed to make secondary colours. <br> - I can apply colours using a range of tools. | - I can make tints of a colour by adding white. <br> - I can change the shade of a colour by adding small amounts of blank. <br> - I can apply colour using a range of tools including a range of different size brushes. |
| Theoretical Knowledge | - Learn about Piet Mondrian <br> - When he lived/died <br> - Where he was from. <br> - What type of artist <br> - Why he used they style he did <br> - Look at a range of his works. Are they similar/different. | - Learn about Paul Klee <br> - When he lived/died <br> - Where he was from. <br> - What type of artist <br> - Why he used they style he did <br> - Look at a range of his works. Are they similar/different. | - Learn about Vincent Van Gogh <br> - When he lived/died <br> - Where he was from. <br> - What type of artist <br> - Why he used they style he did <br> - Look at a range of his works. Are they similar/different. |
| Artists/Lessons for completed tasks | - Create a primary colour map - using pens, pencils, crayons, paint. <br> - Mondrian - looking at how primary colours are used in art work. <br> - Creating own style of Mondrian work. <br> - Create a mixing pallet with primary colours. | - Create a colour mixing pallet of adding primary to make secondary in sketch book. Possible use of water colours. <br> - Explore Paul Klee - Sun and Castle. Discuss how the work uses primary and secondary (Warm and cool colours) <br> - Exploring colours assigned to an emotion. <br> - Create a colour wheel to show primary and secondary colours. <br> - Use colour mixing to create own version of Paul Klee Sun and Castle. | - Exploring colour missing with different media i.e. poster paints and water colours. <br> - Making tint charts - selecting a primary colour and adding small amounts of what each time to change the tint. <br> - Making shade charts - selecting a primary colour and adding small amounts of black each time to change the tone/shade. <br> - Experimenting with a range of brushes of different sizes. <br> - Discussion of artists work: Van Gogh's Wheatfield with Crows - use of tints and tones. <br> - Use of tonal and tint mixing to create own version of Van Gogh's Wheatfield with Crows. |
| Disciplinary knowledge | Talk with the children about what art is. Why is it made and why people enjoy making and looking at art. <br> Within sessions use the following questions to tease out children's thoughts and opinions of different types of art. <br> - How has this art been made? <br> - What has the artist created? <br> - Do you like it? | Within sessions use the following questions to tease out children's thoughts and opinions of different types of art. <br> - How has this art been made? <br> - What is the purpose of this piece? <br> - Have we seen art like this before in other cultures? <br> - What is art? Why do we create pieces of art? | Within sessions use the following questions to tease out children's thoughts and opinions of different types of art. <br> - How has this art been made? <br> - What is the purpose of this piece? <br> - Have we seen art like this before in other cultures? (Draw attention to influences of art throughout history) <br> - What is art? Why do we create pieces of art? <br> - What was the artist feeling when creating this piece? <br> - What was the message he wanted to portray? <br> - How would you judge this piece of art work? <br> - Do you like it? Can you explain/justify? |
| Vocabulary | Primary colours, red, yellow, blue, mix. | Primary colours, secondary colours, red, yellow, blue, orange, purple, green, mix, paint brush. | Primary colours, secondary colours, mix, red, yellow, blue, orange, purple, green, tint, tone, light, dark, paint brush, thick, thin. |

## Early Years

- Joins materials and explores different textures. (EAD: 3\&4 year olds)

| Pillar of Learning: 3D Form / Sculpture |  |  |
| :---: | :---: | :---: |
|  | Early Years | Year 1 |
| Substantive knowledge | - Joins materials and explores different textures. (EAD: 3\&4 year olds) <br> - Return to and build on previous learning, refining ideas and developing their ability to represent them. (EAD: Reception) <br> - Create collaboratively sharing ideas, skills and resources (EAD: ELG). | - To use a range of materials creatively to design and make products. <br> - To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space. |
| Practical Knowledge (Developing Skill) | - I can construct with a purpose in mind. <br> - I can manipulate materials to construct models. <br> - I can join different materials to make models. | - I can use a variety of natural, recycled and manufactured materials for sculpturing a known object. |
| Theoretical Knowledge | - Learn about artist and sculpture <br> - When he lived/died. <br> - Where he was from. <br> - What type of artist. | - Learn about artist and sculpture - Andy Goldsworthy <br> - When he lived/died <br> - Where he was from <br> - What type of artist <br> - Why he used they style he did <br> - Look at a range of natural art works over history. Are they similar/different |
| Artists/Lessons for completed tasks | - Lesson on focus artist and their works. <br> - Allowing children to create sculptures with construction kits. <br> - Allowing children to create sculptures with boxes. <br> - Allowing children to create sculptures with play dough. <br> - Allowing children to create sculptures with food. | - Lesson on focus artist and their works. <br> - Explore the works/images of work by Andy Goldsworthy collate images of favourites and make notes re: feelings, meanings. Likes/dislike, use of colours. <br> - Drawing from nature: explore natural objects, twigs, stones, leaves, pine cones, feathers. Take photos for sketch books, draw them, explore lines, colours, shapes, form. <br> - Planning group piece of natural art. Could be a circular pattern/portrait/scene. <br> - Walk in woodland area to collect items for creating group work. <br> - Create and showcase. Allow children to discuss each other's pieces. What do they like? What looks affective? Were the correct materials selected? |
| Disciplinary knowledge | Talk with the children about what art is. Why is it made and why people enjoy making and looking at art. <br> Within sessions use the following questions to tease out children's thoughts and opinions of different types of art. <br> - How has this art been made? <br> - What has the artist created? <br> - Do you like it? | Within sessions use the following questions to tease out children's thoughts and opinions of different types of art. <br> - How has this art been made? <br> - What is the purpose of this piece? <br> - Have we seen art like this before in other cultures? <br> - What is art? Why do we create pieces of art? |
| Vocabulary | Model, joining, construct, build. | Model, construct, joining, build, sculpture, position, natural materials |

- To use a range of materials creatively to design and make products.
- To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.
- I can use a variety of techniques such as rolling, pinching and cutting, to sculpture with clay

## - Learn about artist and sculpture - Grayson Perry <br> - When he lived

- Where he was from
- What type of artist
- Why he used they style he did
- Look at the items he has used to create his art work.
- Compare modern clay sculptures/pot with those from history? Are their any similarities of differences?
- Lesson on focus artist and their works. Looking at pots made throughout history.
- Exploring techniques with clay such as slabbing (rolling), coiling (rolling and building up in layers) pinching, squeezing. PHOTOS FOR SKETCH BOOKS
- Exploring mark making on clay using a range of tools.
- Discussion of art works: Grayson Perry Aspects of Myself. Use of clay techniques used, what the pot is portraying, what emotions does the pot give you?
- Design of own pot - sketch books.
- Creations of own pot
- Decorating pot with clay embellishments and pen sketching
- SCULPTURE WALK AROUND MK CITY CENTRE

Within sessions use the following questions to tease out children's thoughts and opinions of different types of art.

- How has this art been made?
- What is the purpose of this piece?
- Have we seen art like this before in other cultures? (Draw attention to influences of art throughout history)
- What is art? Why do we create pieces of art?
- What was the artist feeling when creating this piece?
- What was the message he wanted to portray?
- How would you judge this piece of art work?
- Do you like it? Can you explain/justify?

Model, sculpture, joining, position, slabbing, coiling, roll, pinch, cut, clay,
materials.
