

# J.J. Keller Safety Talk Trainings

Pinnacol is committed to providing top-notch, free and low-cost training to our policyholders and their employees throughout the year. We've partnered with an expert in the field – J.J. Keller – to ensure that we're fulfilling all of your training needs. Through our partnership, our policyholders receive access to the following Safety Talk Materials at no cost to you.

## **Safety Talk Training Material Topics:**

Each topic will contain the following items:

- Real-life stories
- Exercises
- Handouts
- Quizzes
- Posters
- Spanish materials

## **Workplace Safety:**

1. Butadiene
2. Methylenedianiline
3. Acrylonitrile
4. AEDs
5. Air Contaminants
6. Anhydrous Ammonia
7. Asbestos Abatement Project Worker Protection
8. Asbestos-containing Materials in Schools
9. Asbestos Employee Information and Training
10. Behavior-based Safety
11. Benzene
12. Bloodborne Pathogens
13. Cadmium
14. Chemical Protection
15. Coke Oven Emissions
16. Company Vehicle Safety
17. Competent Person for Construction
18. Concrete and Masonry for Construction
19. Confined Space (permit –required) – Attendants
20. Confined Space (permit – required) – Authorized Entrant
21. Confined Space (permit – required) – Entry Supervisors
22. Confined Space (permit – required) – Rescue and Emergency Services
23. Corrosives
24. Cotton Dust
25. Cranes
26. Cranes and Derricks in Construction
27. Cranes, General Industry Overhead and Mobile
28. Dipping and Coating Operations
29. Disaster Recovery
30. Dive Team Qualifications of General Requirements
31. Electrical Safety
32. Electrical Safety – Qualified Person
33. Electrical Safety for Construction

34. Emergency Action Plan
35. Ergonomics
36. Ethylene Oxide
37. Excavation for Construction
38. Exits
39. Fall Protection
40. Fall Protection for Construction
41. Fire Brigades
42. Fire Extinguishers
43. Fire Prevention Plan
44. Fire Protection and Prevention for Construction
45. First Aid
46. Flammable Liquids
47. Floor/Wall Openings
48. Forklift Training General
49. Formaldehyde
50. Golf Cars
51. Hand and Portable Powered Tools
52. Hand and Power Tools for Construction
53. Hazard Communication 2012 General
54. Hazard Communication 2012 Specific
55. Hazardous Waste
56. HAZWOPER – Emergency Response for Hazardous Materials Specialist
57. HAZWOPER – Emergency Response for Hazardous Materials Technician
58. HAZWOPER – Emergency Response for the On-scene Incident Commander
59. HAZWOPER – General Site Workers
60. HAZWOPER – Management and Supervisors
61. HAZWOPER – Occasional On-site Workers, On-Site
62. HAZWOPER – Regular On-site Workers
63. HAZWOPER – TSD Workers
64. HAZWOPER – Emergency Response for the First Responder Awareness Level
65. HAZWOPER – Emergency Response for the First Responder Operations Level
66. Health and Hazards in Construction
67. Hearing Conservation
68. Heat Stress
69. Hexavalent Chromium
70. Inorganic Arsenic
71. Ionizing Radiation
72. ISO 14000
73. Laboratory Standard
74. Ladders and Stairs
75. Lead Exposure for Construction
76. Lead in General Industry
77. Lifting Techniques
78. Liquefied Petroleum Gases
79. Lockout Tagout – Affected Employees
80. Lockout Tagout – Authorized Employees
81. Lockout Tagout – Other Employees
82. Lockout Tagout – Refresher Training
83. Logging Operations – First Aid and CPR
84. Logging Operations – General Requirements

85. Logging Operations – Machinery
86. Logging Operations – Tree Harvesting
87. Machine Guarding
88. Materials Handling, Storage, Use and Disposal for Construction
89. Methylene Chloride
90. Motor Vehicle Air Conditioners – EPA
91. Motor Vehicles, Mechanized Equipment for Construction
92. New Employee Orientation
93. Personal Protection Equipment – Foot Protection
94. Personal Protective and Lifesaving Equipment for Construction
95. Personal Protective Equipment – Eye and Face Protection
96. Personal Protective Equipment – Hand Protection
97. Personal Protective Equipment – Head Protection
98. Pesticides
99. Powered Platforms
100. Process Safety Management - Initial Training
101. Process Safety Management – Refresher Training
102. Recordkeeping
103. Respiratory Protection
104. Rigging Equipment for Material Handling
105. Risk Management Program
106. Safety and Health Program Management
107. Safety Programs for Construction
108. Scaffold Safety for Construction
109. Site Security
110. Slips, Trips, Falls
111. Solvents
112. Spray Booths
113. Steel Erection
114. Toxic and Hazardous Substances
115. Understanding OSHA
116. Ventilation
117. Vinyl Chloride
118. Violence in the Workplace
119. Walking Working Surfaces
120. Welding, Cutting, and Brazing
121. Work Zone Safety

**Department of Transportation:**

1. Accident Procedures
2. Alcohol & Drugs – Driver
3. Alcohol & Drugs – Supervisor (Alcohol)
4. Alcohol & Drugs – Supervisor (Drugs)
5. Back Lifting
6. Backing
7. Cargo Securement
8. Cornering
9. Defensive Driving
10. Driver Disqualification
11. Driver Logs
12. Driver Grades

13. Emergency Maneuvers
14. Employee Security
15. Entry-level Driver
16. Extreme Driver Conditions
17. Facility Security (General)
18. Fire Prevention
19. Hazard Prevention
20. Hazmat – Bulk Packagings
21. Hazmat – Driver Training and Security
22. Hazmat – Driving and Parking
23. Hazmat – Elevated Temperature Materials
24. Hazmat – H.M.R. – Overview
25. Hazmat – Hazard Classification
26. Hazmat – Hazardous Materials Table
27. Hazmat – Hazardous Substances
28. Hazmat – Incident Reporting
29. Hazmat – Labeling – General Information
30. Hazmat – Labeling Guidelines
31. Hazmat – Loading and Unloading
32. Hazmat – Marine Pollutants
33. Hazmat – Marking – General
34. Hazmat – Marking Bulk Packagings
35. Hazmat – Marking Non-bulk Packagings
36. Hazmat – Materials of Trade Exceptions
37. Hazmat – Non-bulk Packagings
38. Hazmat – Packaging – General Information
39. Hazmat – Placarding Exceptions
40. Hazmat – Placarding Guidelines
41. Hazmat – Registration
42. Hazmat – Security Training
43. Hazmat – Shipping Papers – General Information
44. Hazmat – Shipping Papers – How to complete
45. Hazmat – Training for Hazmat Employees
46. Hours of Service – Passenger – Carrying Vehicles
47. Hours of Service – Property – Carrying Vehicles
48. Hours of Service Training - Supervisors
49. Log Auditing – Passenger – Carrying Vehicle
50. Log Auditing – Property – Carrying Vehicle
51. Longer Combination Vehicles
52. Night Driving
53. Preventative Maintenance
54. Safety and Security
55. School Bus Safety
56. Sharing the Highway
57. Skid Control
58. Slips, Trips, Falls
59. Speed and Space Management
60. The Professional Driver
61. Trip Planning
62. Vehicle Breakdown and Road Repair
63. Vehicle Inspections
