

COVID-19 UPDATE TIER 2 PHASE 4 MITIGATION

The safety of our program patrons, fitness members, and staff remains to be our utmost importance as we enter Tier 2 of the Phase 4 Mitigation. The Roselle Park District has always been dedicated to offering a healthy way of life for our customers, and through careful planning and cleaning, we will continue to make changes to our programs and facilities to make sure we comply with the current guidelines. The Roselle Park District team has and will continue to increase efforts to clean and sanitize our facilities and program areas in accordance with the CDC guidelines. We encourage and promote social distancing to ensure the health and safety to all.

Tier 2 Phase 4 Mitigation began January 19, 2021. Masks are always required in our facilities.
