

The Roselle Park District Garden Club is dedicated to educating members about gardening, as well as promoting the preservation of native plants, trees, and flowers. Our club encourages beautification and environmental awareness within the community through periodic gardening workshops and informative programs on garden-related topics presented by Master Gardeners.

The Roselle Park District Garden Club is pleased to offer the opportunity to award one \$1000.00 scholarship for the 2023-2024 school year. Interested graduating high school seniors and current college students who wish to apply for this scholarship should complete this packet and return it **no later than March 15, 2023.** Late submissions will not be considered.

The scholarship applicant must be pursuing an environmentally related degree (such as earth science, ecology, environmental science, horticulture, landscape design/architecture, botany, etc.)
