WHY SONY?

The One Mount concept brings Sony's most advanced imaging technology together via the E-mount platform, seamlessly connecting full-frame and APS-C, stills and movies, amateurs and professionals through a versatile range of camera bodies and lenses that offer unlimited creative potential.

- E-mount opens up a world of expression for both photographers and videographers.
- Dedicated EDU team with expert support.
- Professional choose Sony.
- Year round savings.

FOR STUDENTS & FACULTY

We are supporting the next generation of content creators in a few ways.

Exclusive pricing: Student and faculty discounts through our Sony EDU Authorized Resellers
