

Summer STEM Camp Intern

Unpaid Internship / Academic Credit Available with Approval

Date: June – August 2020

Position Description:

The Summer STEM Camp Intern will support the Children’s Science Center staff in our hands-on summer camps, and report to the Outreach Program Manager. Interns will lead camp games and activities, assist in activity set up and preparation, practice classroom behavioral management, and ensure student safety. Interns will also create their own hands-on STEM activities for students.

Qualifications:

- Demonstrated interest in elementary education, STEM subjects, and/or informal education
- Learn and be able to communicate the mission and vision of the Children’s Science Center
- Comfortable interacting with children, parents, and/or caregivers, and general audiences
- Experience working closely with school-aged children
- Ability to maintain safe and positive classroom environment
- Energetic and positive team player
- Excellent communication skills
- Must be 16 years or older by start date
- Can provide own transportation
- Must complete a minimum of 4 consecutive weeks of camp
