

# Corporate Volunteers

Give back to the community while building and strengthening your team. The Children's Science Center offers meaningful opportunities to serve, empowering your employees as active participants in our community and enhancing their leadership skills.

With focuses on STEM (science, technology, engineering, and math), community outreach, diversity and inclusion, your employees' engagement as a volunteer increases our impact. Your corporate support and employees' enthusiasm ensures thousands of families are served by our mission to inspire a love of learning STEM by providing unique opportunities to explore and create.

- **In the Lab:** Engage guests, prepare materials, and provide behind-the-scene support at the Children's Science Center Lab at Fair Oaks Mall.
- **In the Community:** Interact with guests at our Family Science Nights and other programs at schools and local venues.
- **Behind the Scenes:** Assist with administrative tasks, photography, graphic design and/or preparations for activities at the Lab or special events.
