<b>INTEREST RATES</b>	
Annual Percentage Rate (APR) for Purchases	White River charges an APR <b>21%</b> (1.75% per period).
Paying Interest	Applicant's due date is on or before the due date shown on each invoice or monthly statement. White River will not charge applicant any interest on purchases if Applicant pays the entire balance by the due date each month.
<b>FEES</b>	
Return payment fee	<b>\$25.00.</b>
Billing Errors	Information regarding Applicant's right to dispute transactions and how to exercise those rights is provided below.

White River figures the interest charge on Applicant's account by applying the periodic rate to the "adjusted balance" of Applicant's account. White River calculates the "adjusted balance" by taking the balance Applicant owed at the end of the previous billing cycle and subtracting any payments and credits received during the present billing cycle.

In consideration of the extension of credit, Applicant grants to White River a purchase money security interest in hereafter acquired and all identifiable proceeds in any item of Applicant's inventory, supplies, equipment, and other goods purchased from White River. The security interest shall secure the purchase price of that item and also secure any other obligations of Applicant to White River related to the purchase price of that item to the extent that such other obligations may be secured by a purchase money security interest in that item.

**Applicant's Billing Rights Under the Fair Credit Billing Act**

**This notice tells Applicant about his/her rights and White River's responsibilities under the Fair Credit Billing Act.**

If Applicant believes there is an error on the statement, write to White River at White River Cooperative, P.O. Box 461, Loogootee, IN 47553 within 60 days after the error appeared on the statement. Applicant may call White River, but doing so will not preserve Applicant's rights. In the letter, state: (1) Applicant's name and account number; (2) the dollar amount of the suspected error; and (3) a description of the error and Applicant's belief as to why it is an error. White River must acknowledge the letter within 30 days. White River must either correct the error or explain to Applicant why the bill is correct within 90 days of receiving the letter. White River cannot try to collect the amount in question, nor report Applicant as delinquent on that amount. The charge in question may remain on the statement, and White River may continue to charge interest on that amount. While Applicant does not have to pay the amount in question, Applicant is responsible for the remainder of the balance. White River can apply any unpaid amount against the credit limit. After its investigation, if White River made a mistake, Applicant will not have to pay the amount in question or any interest or other fees related to that amount. If White River does not believe there was a mistake, then Applicant will have to pay the amount in question, along with applicable interest and fees. White River will send Applicant a statement of the amount owed and the date payment is due. White River may then report Applicant as delinquent if Applicant does not pay the amount White River thinks Applicant owes. If Applicant receives White River's explanation but still believes the bill is wrong, Applicant must write to White River within 10 days telling White River that Applicant still refuses to pay. If Applicant does so, White River cannot report Applicant as delinquent without also reporting that Applicant is questioning the bill. White River must tell Applicant the name of anyone to whom White River reported as delinquent, and White River must let those organizations know when the matter has been settled. If White River does not follow all of the rules above, Applicant does not have to pay the first \$ 50 of the amount in question even if the bill is correct.

If Applicant does not make a full payment by the due date on any invoice or monthly account statement, Applicant agrees that, in addition to any unpaid principal balance, Applicant shall pay a service charge of 1.75% per month (annual percentage rate of 21%). This Credit Agreement shall be binding upon Applicant's heirs, executors, administrators and assigns. In the event that any of the provisions of this Credit Agreement shall be held by a court or other tribunal of competent jurisdiction to be unenforceable, such provision shall be enforced to the fullest extent permissible and the remaining portion of this Credit Agreement shall remain in full force and effect. White River's failure or neglect to enforce any rights under this Credit Agreement will not be deemed to be a waiver of White River's rights. **APPLICANT IRREVOCABLY WAIVES THE RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS CREDIT AGREEMENT.**
