

# Insight Fellows Program

*Bridge the Gap Series*

Mar 17, 2020

## Preparing for the Security Interview

# Outline

- Before the interview
- Speaking about yourself
- Sharing your code
- Capture the Flag (CTF)
- Asking questions

Before the interview

# Before the Interview

- Deep dive on Insight
- Deep dive on security
- Know your interviewer

Speaking about yourself

# Speaking about yourself

- Know thyself (or thy resume)
- Speak to what translates
- Keep it concise

Sharing your code

# Showing your Code

- Give context for the problem
- Ready to share screen
- Start at a high-level
- Let the interviewer dive deep

# Capture the Flag

# Capture the Flag

- What's your thought process
- Humble isn't bad
- Let the interviewer dive deep
- What are next steps?

# Facebook CTF Example
