THE RIO EXPERIENCE

Welcome to Rio Steakhouse!

Let us take you on a culinary journey you won't soon forget with an authentic Brazilian Churrasco dining experience!

Our specially trained Gaucho Chefs are on hand to serve our exquisite cuts of meat that are continuously carved at the table in a traditional Rodizio style.

HOW IT WORKS

1

The journey begins at our gourmet salad bar, you will find an extensive variety of healthy salad combinations, an amazing selection of imported cheeses, cured meats and authentic Brazilian dishes.

2

When you are ready for the fun to begin simply turn the Rio card to the green bull head. Chefs will start to bring you all our Churrasco meat and will continuously carve it at your table side until you say so.

3

When you need a break, just turn the card over to the red bull, and service will momentarily stop. Use the card to control the pace of the meat service, allowing you to enjoy your meal at your own pace. **At Rio you are the boss!**
