5. APPROVAL OF THE LONG-TERM INCENTIVE PLAN (LTIP)

Resolution 4	Approval of the Long-Term Incentive Plan (LTIP)
Explanation	Resolution 4 seeks shareholder approval for the Company's Long-Term Incentive Plan (LTIP) for the purposes of the Listing Rules and the Corporations Act.
ASX Listing Rules	<p>Listing Rule 7.1 provides that a company may not issue Equity Securities, or agree to issue Equity Securities, without the approval of shareholders, if the number of Equity Securities to be issued in any 12-month period (including shares issued on the exercise of any options) exceeds 15% of the issued capital of the company preceding the issue.</p> <p>Listing Rule 7.2 contains a number of exceptions to the prohibition contained in Listing Rule 7.1. In particular, under Exception 9 in Listing Rule 7.2, any Equity Securities issued under an employee incentive scheme within three years of the date on which shareholders approve the issue of those Equity Securities are not counted for the purposes of Listing Rule 7.1. Resolution 4 is designed to satisfy the requirements of Listing Rule 7.2.</p>

<p>Corporations Act</p>	<p>Section 259B(1) of the Corporations Act prohibits a company from taking security over its shares except as permitted by section 259B(2). Section 259B(2) states that a company may take security over shares in itself under an employee share scheme that has been approved by resolution passed at a general meeting of the company.</p> <p>Section 260A(1)(c) of the Corporations Act prohibits a company from financially assisting a person to acquire shares in itself except as permitted by section 260(C). Section 260(C)(4) provides for special exemption for approved employee shares schemes and states that financial assistance is exempted from section 260(A) if a resolution is passed at a general meeting of the company.</p> <p>Accordingly, shareholder approval is sought under Resolution 4 to ensure compliance with these sections of the Corporations Act.</p>
<p>Purpose of LTIP</p>	<p>The purpose of the LTIP is to provide incentives to management and directors of the Company who are integral to the operations and ongoing success of the Company and to promote the objective of developing a best-practice long-term incentive framework which aligns the interests of stakeholders with executive management. These incentives are designed to encourage greater productivity from directors and management and to better enable the Company to retain its management personnel in a highly competitive industry as well to enable executive management to create long-term shareholder value.</p> <p>Should Resolution 4 be passed, the Company will have the necessary flexibility to issue securities as an incentive to management personnel, and the issue of securities under the LTIP will not be included within the Company's placement capacity pursuant to Listing Rule 7.1.</p> <p>A summary of the LTIP is provided below.</p>
<p>Details of the LTIP</p>	<p>General</p> <p>The LTIP is intended to retain and motivate the Company's management team.</p> <p>Under the LTIP, the Board has the discretion to offer shares or grant options and performance rights to eligible employees (which includes Directors) of the Company or a related body corporate. An offer of shares may be accompanied by an offer of a loan (acquisition loan) from the Company or a related body corporate to acquire the shares.</p> <p>Note: the Board intends to offer incentives under the LTIP to members of the senior executive management team for FY18, although at present the number of securities, and the performance hurdles that will apply, have not yet been determined. The Board will keep shareholders updated and will lodge all necessary notices with the ASX upon the issue of any incentives under the LTIP.</p> <p>Both options and performance rights give a participant in the LTIP a right to acquire shares in the Company subject to the achievement of both time based and performance based vesting conditions, with options requiring the payment of an exercise price to acquire the shares and a performance right not requiring the payment of an exercise price.</p> <p>The Board has the discretion to amend the rules of the LTIP (including in respect of previous awards of shares, options or performance rights) but not so as to reduce the rights of participants, except where necessary to correct obvious errors or mistakes or to comply with legal requirements or where agreed by the</p>

participant.

Awards under the LTIP are made at the Board's discretion.

Eligibility

The rules allow for offers under the LTIP to be made to any employee of the Company or a related body corporate, including Directors, or such other person as the Board determines. However, it is currently intended that participation in the LTIP will only be offered to the Company's senior executive management team (including any executive Directors).

Issue of shares and grant of options and performance rights

Shares, options and performance rights may be issued under the LTIP subject to vesting conditions, including time and performance based hurdles.

The Board determines the details of the vesting conditions attaching to shares, options and performance rights under the LTIP prior to offers of participation being made. Shares, options or performance rights will only vest (under normal circumstances) upon satisfaction of the time and performance based vesting conditions. If those conditions are not met, shares will be bought back or the options or performance rights will generally expire and not be capable of exercise.

No amount is payable on the grant of options or performance rights offered under the LTIP.

Delivery of shares

Shares in the Company will be delivered to participants upon exercise of vested options or performance rights. On exercise, the Company may deliver shares by new issue or by purchasing shares for transfer to participants. No exercise price is payable on the exercise of performance rights unless otherwise determined by the Board at the date of grant.

Buy-back of shares

The LTIP provides for the buy-back of shares offered under the LTIP in certain circumstances, including on the forfeiture of the shares. Buy-back proceeds must be applied towards the repayment of any acquisition loan used to acquire the shares.

Change of control

On a change of control of the Company, the Board has discretion to waive the vesting conditions applicable to unvested options and performance rights, subject to such terms and conditions as it determines.

Plan limits

Issues of shares including on exercise of options or performance rights granted under the LTIP will be subject to a cap of 5% of the issued share capital of the Company, inclusive of shares that may be issued under other employee incentive schemes of the Company for employees and non-executive directors, but disregarding offers made outside of Australia, made under a prospectus or other disclosure document or which do not require a disclosure document.

	<p>Expiry of options and performance rights</p> <p>Unless otherwise determined by the Board in its discretion, options and performance rights which have not been exercised will expire and cease to exist on the expiry date specified at the date of grant or upon the Board making a determination that the options or performance rights are to be forfeited.</p> <p>Restrictions on shares and forfeiture conditions</p> <p>Shares, options and performance rights, and shares delivered on exercise, may be subject to forfeiture (subject to lifting at the discretion of the Board) if a participant commits any act of fraud, defalcation or gross misconduct in relation to the Company or a related body corporate. The Board can also decide, on the offer of shares or the grant of options or performance rights under the LTIP, additional circumstances under which they are to be forfeited, such as the termination or cessation of employment.</p> <p>Shares delivered on exercise of options or performance rights may be subject to disposal restrictions (subject to removal at the discretion of the Board).</p> <p>Hedging economic exposure prohibited</p> <p>Without limiting the prohibitions in Part 2D.7 of the Corporations Act (ban on hedging remuneration of key management personnel), the terms of the LTIP prohibit entering into transactions or arrangements which limit the economic risk of participating in unvested entitlements under the LTIP.</p>
Securities issued under LTIP	The LTIP was adopted by the Board in May 2017 and as at the date of this Notice of Meeting and Explanatory Memorandum, no securities have been issued under the LTIP.
Voting Exclusion	A voting exclusion statement applies to this item of business, as set out in the Notice.
