Health innovation that matters

## XTRA ATS eLearning

xtraatselearning.com

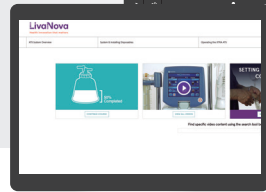

### Maximise the clinical use of your LivaNova XTRA autotransfusion system!

This website is designed to provide comprehensive product information and training to help all members of the team.

The videos explain and demonstrate the basic features of the machine, the disposable components it uses, and its setup and operation.

You may also access each of the individual videos by topic and title from the [VIEW ALL VIDEOS](#) option on the dashboard. **Learn at your own pace!**

- **How the Xtra Works**
- System and Installing Disposables
- **Operating the Xtra**
- Cleaning and Maintenance
- **Test & Certification**
