

Dear All,

We have a facebook site St John's Anglican Church Campbells Bay  
[HTTPS://WWW.FACEBOOK.COM/PARISHOFSTJOHNS/?MODAL=ADMIN\\_TODO\\_TOUR](HTTPS://WWW.FACEBOOK.COM/PARISHOFSTJOHNS/?MODAL=ADMIN_TODO_TOUR) - visit and keep it alive and interactive. We are trying to keep in touch during this period. I ordered some homing pigeons, so if you find a bird with a message tied round its leg, you'll know we are trying to keep in touch by all means!

For those of you who are not Facebook folks here are the you tube links to my attempts at night prayer and midday prayer. I feel that to bring in the familiar to you is important , even if it is not the most slick! Things can only get better says the song.

<HTTPS://YOUTU.BE/DULPRHVWWQ0> This is the link for night prayer -Brightley by the sea!

<HTTPS://YOUTU.BE/USRVYXSWP9C> this is the link for midday prayer- mainly to be in the church on the day we closed the doors

Now here is a great idea.....PRAYER CHAINS

For the period of time we are not able to be physically together how about we cut strips of paper and each day write a prayer on the strip. Some of us will remember paper chains. Each day write a prayer on a strip and glue the ends to make your own wee chain. WHEN we are back together we can join our chains and hang them up in celebration of our unity and prayerfulness.

Thanks to Alison who found this.

You may wish to adopt a discipline of phoning one person every day or texting them. At one level we may need to break the chain of virus transmission but keep and grow the chain of connectedness.

This is a lovely clip from Hannah( my daughter)
