

Dear Valued GARA Member,

As we are all struggling with the personal and economic impact of this pandemic, the Farmer Brothers family wanted to reach out and let you all know we are here to support you. We have been valued partners with the GARA group for several decades and we have heard that some of the members have not been able to get products from certain vendors. We want to assure you all that we are open for business and can help fill those product needs. There is no pressure to sign up for an account, we can offer cash or credit set up to help even if on a temporary basis. For those of you not familiar we offer everything from coffee and tea to pancake mix and syrup as well as culinary items such as spices and dressings. We have also been holding special pop-up and warehouse sale events offering these products to the public. Please reach out to the local teams to see when and where these events are being held to take advantage of the wholesale pricing with no minimum purchase.

For those who have been loyal Farmer Brothers customers, we appreciate your business and will continue to help in any way we can. For the member's out there who are not purchasing from us, we still consider you part of the family and will do what we can to help you through these trying times.

Thank you,

*Michael Caponigri (Illinois-Indiana-WI)*
