The Exchange Package 200

The Exchange Cocktail & Hoyo de De Mont Epicure

Enjoy the perfect experience of our "Exchange" cocktail. A cocktail which is aged over months in barrels brings those wooden flavors with him and is nice to combine with aromas of the dried fruits and cinnamon in the cigar.

Mid Week Package 150

Halfway Through Cocktail & Romeo y Julieta Petite Royales

A combination which you never expected. The aroma of the hops and tamarind in the cocktail paired with the leathery and medium bodied cigar works perfectly as one.
