## 21 DAY DEVOTIONAL

### READ

DAY  
19

**Isaiah 58:11** *The Lord will guide you continually, and satisfy your needs in parched places, and make your bones strong; and you shall be like a watered garden, like a spring of water, whose waters never fail. (NRSV)*

### REFLECT

Have you ever been on a guided tour of a building or a park? What about a guided tour of a new place or country? I remember traveling overseas, when the world was open, and our tour guide didn't just know the area better, but they also knew the language. In this new place, having a tour guide wasn't just a good idea – it was needed for our survival. This Scripture reminds us that God is our ultimate tour guide. God *"will guide us continually,"* which means without end. Furthermore, with God as our guide, we not only have protection, but we also have our needs met. In parched places, our bones are being made strong and we are being watered like gardens. When God is our Guide, we are well taken care of and provided for in all situations.
