NATURAL HAZARDS IN A CHANGING WORLD

INTERPRAEVENT

2020 – Bergen, Norway

On behalf of the Interpraevent 2020 Organizing Committee, it is our pleasure to invite you to participate at the 14th congress in Bergen, Norway, 11-14 of May 2020.

Sponsoring or exhibiting at Interpraevent 2020 will enable you to:

- Present your solutions, research and products/ ideas directly to private and public stakeholders
- Gain insight on industry best practices, data, recent technology and environmental issues from top analysts, experts, implementers and government representatives
- Connect with professionals, educators and practitioners in the field of natural disaster risk reduction
- Enjoy the beautiful city of Bergen

Topics of the Congress

The congress will focus on integrated management of natural hazards and risks, causes of disasters and prevention measures, preparedness, responses and recovery methods in the view of climate and societal changes. Key topics include:

- Risk Governance and Policies
- Data Acquisition and Modelling
- Hazard and Risk Assessment
- Hazard and Risk Mitigation
 - Land use planning
 - Technical measures
 - Nature based solutions
 - Organisational measures
- Emergency Management

Organizers

The congress is jointly organized by The Norwegian Water Resources and Energy Directorate (NVE), The Norwegian Geotechnical Institute (NGI), The Norwegian Public Roads Administration (SVV) and The International Research Society INTERPRAEVENT.

Why exhibit?

The 14th Interpraevent Congress gives academia, research organizations and companies an excellent showcase for their research, knowledge and products to national and international stakeholders in the field of natural disaster risk reduction.

The exhibition will be an essential part of the Interpraevent Congress, and will give you the opportunity to present your company, cultivate established relationships, identify new business contacts and increase your company's brand awareness.

With a superb space next to the main plenary hall, exhibitors can network and showcase their products as delegates mingle during refreshment breaks and lunches. The design of the expo area has been carefully crafted around maximizing foot traffic so that exhibitors can benefit from optimal product exposure.

Who will attend Interpraevent 2020?

The congress expects up to 700 delegates from around the world, which includes:

- Engineers
- Policy makers of all administrative levels
- Scientists
- Civil protection agencies
- Insurance companies
- Students
- and other stakeholders
