

May 1, 2019

Dear Patient,

Thank you for being a part of our dental family over the past years. As you are already aware, Dr. Stackpole recently retired. We wish him the best of luck on this new chapter in his life.

At the same time, we have some exciting new changes. Our office is now called Forest Lake Smiles and Dr. Jon Siverson has joined our team in Dr. Stackpole's place. He brings with him over a decade of experience and skills in the dental field.

Dr. Siverson and his wife have called Forest Lake their home for the past 10 years and think it is a fantastic place to be raising their three children. He is very excited to now be practicing dentistry in a community he has been an active member of for so many years.

We understand that with any transition of this sort there are often questions or concerns which arise. We want you to continue to feel comfortable and welcome so please feel free to contact us if you have any questions regarding your care or treatment.

See you soon,

Forest Lake Smiles
