

April 17, 2019

Dear Patient and Friend:

It is with mixed emotions that I am announcing my retirement from active practice, effective May 1, 2019.

I have sincerely enjoyed having you in the practice and becoming acquainted with you both personally and professionally.

As of May 7, 2019, Dr. Jon Siverson will be taking over my practice. I am pleased that you have the opportunity to have him as your dentist. I feel confident that Dr. Siverson, and the staff, will continue to provide you and your family the same gentle, friendly, high quality dental care you are used to receiving.

Dr. Siverson is a graduate of the University of Minnesota School of Dentistry with twelve years of experience in various practice settings. He and his family reside in Scandia and are very active in the Forest Lake community. You will still see many of the same smiling faces when you come to the office as my staff has decided to stay and work with Dr. Siverson. At the same time, the name of the clinic will be changing to Forest Lake Smiles.

I have greatly valued our relationship and thank you for your business and loyalty over the years.

Sincerely,

William Stackpole, DDS
