Island Elite capped off the 2020 – 2021 season with 7 teams: Teeny Weeny Tidepools, Aqua Mist, Blue Lagoon, Sapphire Storm, Coral Crush, Royal Riptide and Tsunami 5-0. We are so proud of all of our athletes and very appreciative of our ohana.

We are committed to our athletes, and mahalo for your dedication and loyalty. We also appreciate all of the newcomers to our program. Our program is dependent not only on our athletes and coaches, but on our parents as well. As you know, this wouldn't be possible without all of the financial and time sacrifices you make to allow your children to cheer. We understand you may have other children and a variety of other commitments and we realize and appreciate that you work very hard for the funds to pay for this sport. We take your commitment and sacrifices very seriously.

We will not take for granted your support for our program. We pledge to make decisions that are in the best interest of your athlete and your athlete's team. We want EVERY athlete to shine on EVERY team. We take that very seriously, and we will not place an athlete where they can't shine. We must ensure that their hard work results in performances that will make them proud, and will not rest until we do! We will challenge them, push them, and motivate them to go further than they may have believed possible.

Our goal is to win a D2 Summit Bid for EVERY qualifying team, competing for the final time in May of 2022 at the ESPN Wide World of Sports in Florida. If a bid is won, an individual can not opt out of D2 summit. Please do consider if your athlete will participate in a travel or non travel team.

### **PLACEMENTS/COMMITMENTS**

When your athlete has been placed on a team, they are joining Island Elite, not a specific role on a team, as that can change at any time. A flyer today, may be a sidebase or backspot tomorrow and vice versa. **Cheer is a team sport, and placements will be based on what is best for the team.** Tuition does not pay for the right to perform. Individuals must meet the level skill requirements to compete. Students can be moved to an alternate position or level if they do not maintain the skill requirements.

Remember, each team is picked to have the best chance of success within their division. Tumbling can play a large factor in team placement, but a **variety of skills**, and abilities are necessary to make each team a strong contender. Keep in mind a successful program will have the majority of kids competing skills they have mastered. From jumps, to tumbling, to dance and stunting, we need well rounded athletes performing at level or higher appropriate skills. Allstar athletes should continue to perfect and stretch their skills by taking additional classes offered by Island Elite.

Throughout the season, the coaching staff reserves the right to, at any time, change the roster of a team adding, rearranging or removing athletes for a performance or practice. The coaches are required to ensure they are placing athletes in the best position to score well at every competition. Injury, losing skills, or not being able to perform a skill will result in changes to the routine. Island Elite also reserves the right to change a team's division and level at any time throughout the year.

We will make every effort to communicate concerns and ideas/extra classes to help each athlete improve.

Athletes can be removed from our program. Removal reasons include; but are not limited to- absences and/or tardies, lack of financial responsibility, violating the code of conduct, inability to attain the necessary endurance, and conflicts between athletes, coaches, parents or anyone else involved in our program. There will be no refunds of any kind given for any reason.

### **PRACTICE VIEWING**

With the advent of COVID we have limited our parent/ guardian and ohana viewing to invitation only. We strive to create the most positive environment for our athletes and the viewing of practices is a privilege.. If you are observing- we request that you be a silent observer during all practice times. If you have been requested to come out and cheer on the athletes- be LOUD and PROUD! Mahalo.

### **CHEERING AT COMPETITIONS**

We completely understand that everyone would like to record their athlete while performing- however, we have noticed that while our athletes are doing their very best- we are being too quiet and not jumping up and down and showing them the encouragement and love they need to put on the best show- **OUR energy becomes their energy!** Cell phones up means steady hands and quiet voices- which is the opposite of what they need from us. Please note- we would like to try requesting that ONE member of Island Elite record - and everyone else SCREAM and SHOUT and THROW YOUR HANDS UP and help create that contagious energy that will make those jumps go higher, those stunts stand up, those baskets defy gravity and those smiles (currently behind the masks) melt our hearts.

## Tuition & Team Costs

### Tuition & Orientation Fees:

**Monthly tuition** breakdowns for all teams can be found below. All Star (mini, youth, junior, and senior level) teams have a 12-month billing cycle that typically runs from June 2021 until May 2022. For our All Star Travel and Non Travel teams there will be 2 practices per week. There will be varying times, for different teams according to needs or competitions, extra practices called. Your monthly tuition is not dependent upon the number of practices. It is a fee that has been calculated and spread out over a 12 month span. **Your financial obligation is for the 12 months. There are no refunds of any kinds.**

**Orientation fees** must be paid by the day of the orientation. This fee covers costs associated with the gym's USASF registration (*not athletes*), coaches credentialing, one gym t-shirt or tank top, and gym insurance.

**Competition flowers** are also a separate cost. This differs from the gym bow and should only be used during designated practices prior to competition (announced by coaches) and during competitions.

## Standard Competition Fees:

Competitions are an integral aspect of team life, regardless of whether your athlete's team competes exclusively in local events or has the opportunity to travel for mainland competitions. All competitions have some standard fees including a fee for each athlete. In some instances, individual athletes may be subject to a crossover fee, which will be assessed on a per-competition basis. Coaches' fees are associated with all competitions and are listed below by type.

Competition Type	Cost
Local	\$150-\$200 Registration; crossover ~\$80; \$50 (coaches fee)
Mainland	\$150-\$200 Registration; crossover ~\$80-\$125; \$250 (coaches fee)
Virtual	\$30-\$100 Registration; crossover~\$25-\$75; \$10-\$25 (coaches fee)

## Additional Competition Fees:

Some competition fees vary, especially for mainland competitions. We do our best to keep these costs down, but are an important factor for families considering competitive cheer. Additional competition costs may include accommodations, travel (e.g. air-fare), spectator fees, transportation, food, and off-site gym rentals. *It is important to note that spectator fees also apply to competitions held in Hawai'i.*

## Absences, Holidays, & Vacation

### General Absence Policy:

Summer practices schedules will be announced after tryouts. We allow athletes to miss practice for vacation during the summer. Tuition is still required. Starting August 1st, we ask that you not miss any practices. If something comes up, we ask that you give us a minimum of 2-week notice so we can try to change practice day/time when possible as missing even one athlete can make practicing less effective. Absences can result in changes to choreography and should be avoided when possible.

Injured or non contagious - ill athletes will still be required to attend all practice sessions. You will not be required to participate but you must be present. In the event of an injury, conditioning will be modified to achieve personal goals and goals of the team. Limited or sitting out of practice requires a Doctor's note and an email notification to the coach. Notification via team chat is not accepted.

### Attendance Policy:

Attendance is crucial to team success!

The only excused absence is a school function that results in a grade, a death in the family, or a contagious illness. All other absences are unexcused. Athletes will only be allowed 3 unexcused absences. **Part-time jobs, dances, concerts, banquets, family reunions, weddings, recitals, school/church socials and any school activities unrelated to grades are unexcused.**

Absences are not allowed the weekend and week prior to a competition. An unexcused absence will result in the athlete being moved to an alternate position or pulled from an upcoming performance at the discretion of the staff. It is the responsibility of the athlete to learn any changes in the routine that may have occurred during a missed practice. An absence must be called in prior to the practice being missed by an adult to the front desk. **Do not call a team mom or ask a child or other adult to pass on the information.**

An Absence request form must be submitted 2 weeks prior to the absence. Do not email or fax. These forms are for absences including school cheer, choir, band, and all other school sports. Absences must be approved. We will verify the absence if we feel someone is being dishonest. You will be removed if the request is falsified.

### Sick Policy:

You must attend practice when you are sick, but not contagious. We will not make exceptions. You will not be required to participate; however you must be present. An athlete will jeopardize their position if this rule is not followed.

### Injuries:

In the event that an athlete is injured while not at the gym, we ask that you please notify us as soon as possible with a signed doctor's note and contact information. Injured athletes are still required to attend scheduled practices. Based on the injury and length of recovery, athletes may be re-choreographed into a new position or replaced.

## Keys to a Successful Season

### Athlete Guidelines:

1. We value hard working, positive athletes who understand that the TEAM comes before the Individual.
2. Coaches reserve the right to modify routines as needed, and athletes will be expected to support decisions that are deemed as best for the team.
3. We will only allow skills that have been mastered with proper technique to be competed. This is at the coaches' discretion. Skills permitted in a routine may change from Day 1 to Day 2 at a competition based on deductions.
4. Absolutely no jewelry can be worn to practice or competitions.
5. All athletes are expected to be good teammates, and no gossip, pettiness, bullying or alienating will be tolerated. These continued behaviors are grounds for dismissal from our program.
6. Athletes are expected to maintain at a minimum, the skills they had at the start of the season. We reserve the right to move athletes if they are not holding true to this expectation.
7. Athletes must treat their coaches, guest instructors, volunteers, and admin staff with the utmost respect. We promise to do the same for our athletes.
8. Athletes must communicate with coaches. If you don't tell us you're injured, we may not know!

### Parent Roles & Responsibilities:

1. The Parents Role in the gym is simple – support the team and gym by supporting your athlete in a positive manner. Be your Child's Cheerleader: Tell them that you're proud of them and that you love them!
2. Pay all bills in a timely manner. Unfortunately, athletes with past-due bills will be asked to sit out of practice.
3. The chain of command for parent information is as follows:
  - i. Team Parent
  - ii. Coach
  - iii. Gym Director
4. Support your athlete's commitment to the team by ensuring they are at practice and following our attendance policy.
5. Stay in the know by upholding your end of communication. We communicate through email and GroupMe. Please download the GroupMe app and make sure you are receiving our messages.

## Gym-Wide Rules:

1. Our goal is to teach athletes the responsibility that comes from maintaining commitment to a competitive team. This means that we rely on parents to help us enforce our attendance policy by ensuring that your athlete does not let their team down by continued absences. Removing cheer is not an acceptable form of punishment as it impacts the entire team.
2. **NO GOSSIP will be tolerated. Please refrain from talking about other athletes, families, coaches, etc. If you are found to be participating in or encouraging negative conversations there will be consequences that may include the request to leave the gym. If any athlete or parent are asked to leave the gym due to negative behavior this does not excuse the financial responsibility of the entire season.**
3. We strive to keep Island Elite a positive environment and take this very seriously. We will always be happy to talk about concerns; however, will not tolerate continued negativity. Persistent negativity from parents or athletes is grounds for dismissal from our program. If you have a concern, please address it with the appropriate person so that we can solve it, or explain it. Let's all work to keep Island Elite a positive environment.
4. Please help to keep our gym as pretty as the day it opened! **Tidy up after yourself and your children.**
5. Parents are not permitted in the gym unless asked by a coach. We reserve the right to close practices should we feel it is in the best interest of the athletes.
6. Our social media policy is as follows: Everyone affiliated with the Island Elite must refrain from posting negative thoughts about the team, gym, coaches, athletes or other programs. It's simple – we feel that addressing concerns directly, versus on social media, is the only acceptable method.
7. Please leave all valuables at home. We are not responsible for lost or missing items.
8. Our brand is extremely important to us and has taken years to develop. Permission to use our logo, name, or Island Elite-specific words must be obtained from William Weaver in writing. No exceptions.

## The Sport of Cheerleading:

1. We will always do what we feel is best for the team – there is no greater team sport than cheerleading! Routines may be modified; roles may change, all in the name of what is best for the team. We ask that you understand and support our decisions. We strive to put the most competitive team and routine on the floor that we can – you've come to Island Elite because of our tradition of excellence. Please help us maintain this.
2. Safety is our number one concern. We have highly trained staff that are the best in the industry. We are proud of our safety record and will follow proper progression with all athletes to maintain it.
3. Good sportsmanship is a win-win! Please treat all teams, athletes and gyms with respect.
4. Remember that you are a representation of our program and the sport of cheerleading. Please conduct yourself accordingly.
5. It's all about the FUN that comes with working hard to achieve goals – that's the Island Elite way!

## Athlete Code of Conduct

I, as an athlete and representative of Island Elite, promise to...

1. Play by the rules. I will learn and obey the rules of my sport and train to perform routines within those guidelines.
2. Respect myself, my coach, other teams and event officials. I will treat all other teams and team members, with the utmost respect in every possible circumstance. I will respect myself enough to agree to train and compete with my safety and the safety of my teammates as first priority. I will behave within every Event's code of conduct, recognizing the authority of event officials and workers in every possible circumstance. I will appreciate honest efforts that are made fairly in the quest of victory.
3. Optimize my experience by meeting athletes from other gyms. I understand that all- star cheerleading and dance offers great opportunities to travel meet athletes from other programs and learn to respect my competitors.
4. Make pursuit of victory more important than winning. I understand that winning isn't everything, but rather my will to train to win that matters most. While victory shall be my expected goal, defeat is not a disgrace.
5. Interact, in person and on the internet, with integrity. I will not comment negatively about my opponents on any form of social media: Facebook, YouTube, message boards, etc. I understand that doing so reflects poorly upon the image of my sport, my program and me.
6. See the big picture and exercise self-control in adverse circumstances. I will increase focus and intensity at practice rather than retaliate or blame others. I understand that I am responsible for my behavior, and I will not allow profanity, anger or disrespect to be a part of any of my interactions. I will not allow the prospect of defeat to be an excuse for unethical or unsportsmanlike behavior.
7. Exemplify sportsmanlike conduct. I will be a positive role model on my team and within my community. I understand that I am leader and that every choice I make affects those who follow me. I will uphold the promise to the best of my abilities and always work to improve myself, my team and my sport.

I have read and understand the Athlete Code of Conduct and agree to abide by these standards.

After a warning, the team member will sit out of practice until the problem is solved. If not resolved, a parent will be notified of the problem or infraction of the rules and will be expected to assist the instructor in solving the issues.
36. **Parents interrupting practice, coaching, distracting or breaking concentration of team practice, parents engaging in gossip, use of profanity, or discussing a child will be asked to leave.** If you hear of any of this, we ask you to remind the parent of the rules and alert us immediately if there continues to be a problem.

# Fundraising

## General:

We strongly support the efforts of our families and of the gym to reduce out of pocket costs in every way we can. Anyone is welcome to participate in these events.

There are two types of events we typically hold: (1) Sodexo and (2) in-house fundraisers. The Sodexo fundraisers are held at concerts, UH games, and other large-scale events. We regularly send out emails regarding these events, which will include instructions on how to volunteer. Volunteer spots are served on a first-come-first serve basis, so be sure to respond quickly if interested! A portion of the proceeds raised at Sodexo-hosted functions is evenly distributed between the families that volunteer at the event and is applied to your account.

In-house fundraisers are organized in partnership with local businesses and are large-scale events open to the public. Tickets are distributed for these events to athletes on teams as a part of their mandatory fundraising, but everyone is invited to sell tickets.

## Scholarships

ISLAND ELITE is proud to participate in the ALOHA FOUNDATION scholarship program for our athletes. We strongly encourage our athletes to review the scholarship paperwork and fill out as they deem appropriate. Our scholarship program is designed to meet the elite athlete's needs. We will request the following to be reviewed: grades, need, and a letter supporting athletic ability. Decisions on the scholarships will be made independently of the team selection; however, it will be reviewed during the same time frames if submitted prior to June 5.

Please, refer to the scholarship forms for details. Contact [info@islandelitecheer.com](mailto:info@islandelitecheer.com) if you need an additional copy, or have any questions.
