Noble Education Initiative is working to rethink education with our newly developed packages of online and in-person training opportunities for school administrators. Our **Training Cohort** will assist Principals and Assistant Principals with strategies for managing and leading school instructional and non-instructional staff in a virtual and traditional environment. The cohort session topics are listed below.

SESSIONS INCLUDED IN THE COHORT:

- Focused Thinking
- Maximizing Time
- Student Culture
- Leading Effective Meetings
- Building Morale in Times of Stress
- Managing School Leadership Teams
- Characteristics of Effective Schools
- Coaching Cycle
- Difficult Conversations
- How Administrators Monitor
- Building Your Teams
- Culture: Preventing Burnout,
- Encouraging Teachers, and High Expectations
