

Installation Instructions

DSH

Downspout Hanger

These instructions are applicable for both Stainless Steel (DSH) and Copper (DSH-CU) Downspout Hangers.

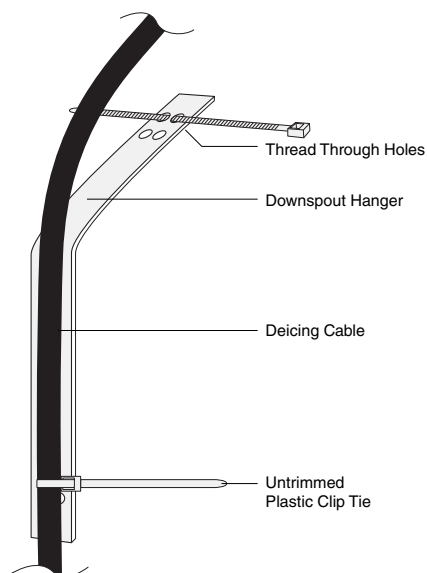

Plastic Clip Ties

Downspout Hanger

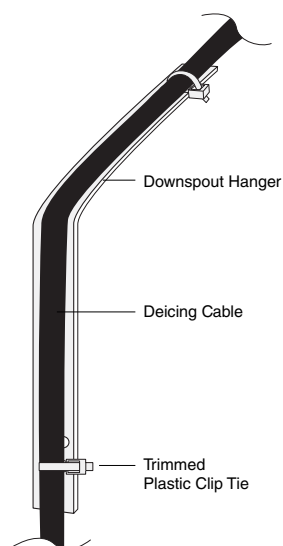

Detail 1. Downspout hanger and Plastic Clip Ties.

INSTALLING THE DSH

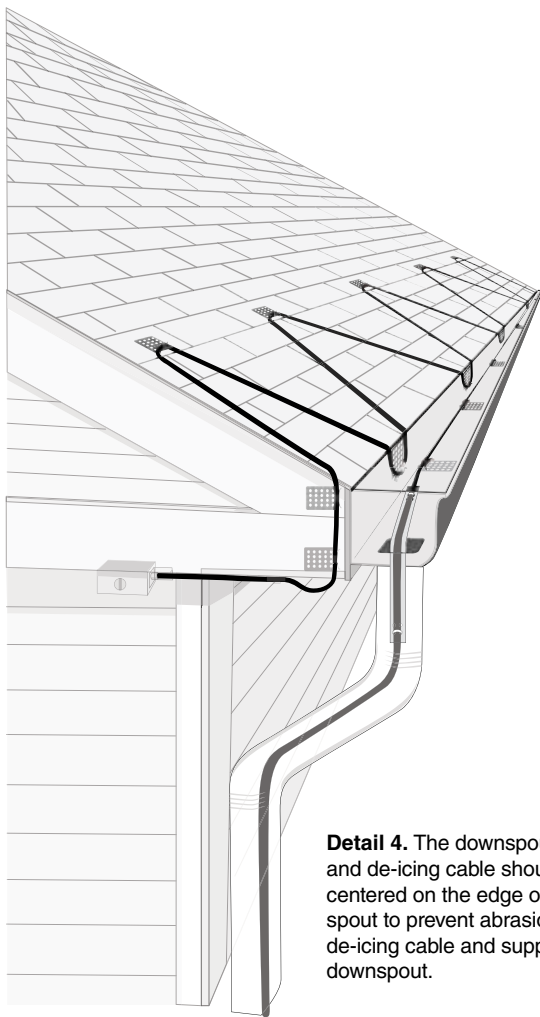

Detail 2. Bend the downspout hanger 90°. Insert clip ties through the holes.

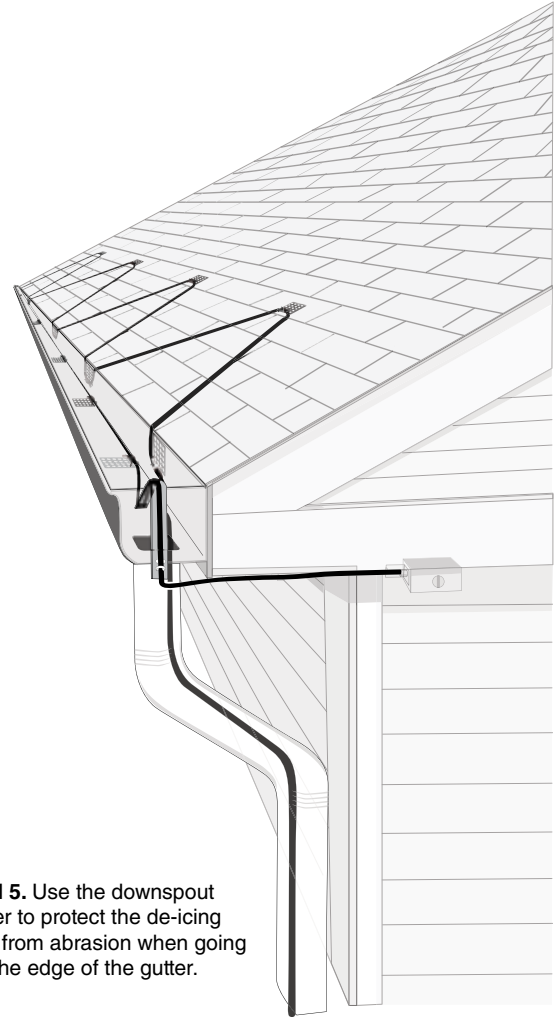

Detail 3. Position the downspout hanger and de-icing cable and tighten the clip ties. Trim off excess clip tie.

Continued on page 2

Detail 4. The downspout hanger and de-icing cable should be centered on the edge of the downspout to prevent abrasion of the de-icing cable and support it in the downspout.

Detail 5. Use the downspout hanger to protect the de-icing cable from abrasion when going over the edge of the gutter.

TECHNICAL SUPPORT

A full set of installation instructions is included with order. Please call 1-800-526-7887 with any questions.
