About GIIS

Global Indian International School (GIIS), operated by the Global Schools Foundation (GSF), is a frontrunner in international school education from Nursery to Grade 12 in Asia. The foundation manages a blossoming network of 23 campuses across 8 countries. GSF has been recognised as the world's most awarded school network by the UK-based World Book of Records.

GIIS' vision is to become a global role model for teaching and learning through our award-winning holistic framework of 9 GEMS. We have two campuses in Singapore - East Coast Campus from Nursery to Grade 10 and SMART Campus, Punggol, from Nursery to Grade 12. We offer students a choice between international curricula like the IB Primary

Years Programme (IB PYP), Cambridge Lower Secondary Programme, IGCSE, IB Diploma Programme (IB DP) and the Indian CBSE curriculum.

Our flagship SMART Campus is a school of the future with cutting-edge facilities like digital classrooms, collaborative learning spaces and more than 40 skill-based studios, all of which create an environment for students to effectively explore a world of ideas.

GIIS' excellent academic results, dedicated and qualified teachers and holistic education contribute towards making our students well-rounded individuals and global leaders of the 21st century.
