

Bedrock Reopening Guidelines

These guidelines will stay until Phase 3 in the State of Florida:

At Bedrock we want to be sure that we are following all safety guidelines to ensure everyone's safety while we are still able to come together for fellowship and worship. Online is a great option but there is nothing like being together. Our desire is to bring people together in the safest, convenient and most worshipful way possible. Our hope is that you will feel safe, secure, welcomed and will experience God in a refreshing way. We can't wait to see you there!

Below you will find our guidelines and the steps that we are taking during this season.

- Snacks and coffee will not be provided at this time, but you are welcome to bring your own!
- Kids will be in service with us. We have activities to help participate during the message and will have a craft table outside, if you need to step out.
- Hand sanitizer stations are available throughout the building.
- Face masks are available and encouraged to be worn.
- Our greeting team will not offer a handshake, but you may get first bump, elbow tap or foot-five.
- Social distance seating
 - When you enter the worship area, chairs will be provided at the back for your convenience and safety. Please grab a chair for you and your family, then choose your place to sit! (If you need help moving your chairs, we will have a Difference Maker team member there to help you.)

**IF YOU HAVE HAD ANY OF THE FOLLOWING SYMPTOMS THIS WEEK, OR ARE
IMMUNOCOMPROMISED AND NEED TO STAY HOME, WE INVITE YOU TO JOIN
US FOR BEDROCK LIVE ON FACEBOOK**

-FEVER OVER 100.4
