TASTING GUIDE

RED

SNOOP CALI RED, BLEND

- The producer, 19 Crimes, partnered with Snoop Dogg to create a wine that embodies the spirit of rule breaking, culture creating and overcoming adversity.
- This wine is full, dense, and juicy. Bold flavors of black and blue fruits are complimented by tones of candied red fruit and baking spices.
- The finish is short and slightly sweet. Snoop's Cali Red provides a fun and easy drinking experience.

WHITE

BORGIO SAVAIAN, "ARANSAT," PINOT GRIGIO (orange wine)

- Amber-colored, copper tones with notes of dried rose and aromatic herbs
- Ripe apricot, peach and meyer lemon, with honey rounded out with a little spice for a rich, wonderful texture
- A fun and funky naturally produced wine, "Aransat" is slang for *orange* in the Friulian region of Northeast Italy.

ROSÉ

BROADBENT, VINHO VERDE BLEND

- The Vinho Verde region of Portugal is known for its affordable and refreshing white wines. This rose style blend of native portuguese varietals is a rare find.
- Vibrant aromas and flavors of pomegranate and orange zest are corralled by notes of dried herbs and a pleasantly light fizz.
