FOR IMMEDIATE RELEASE

Fran Craig Joins Children's Science Center Board of Directors

FAIRFAX, VA, July 26, 2017—The board of directors of the Children's Science Center announced the appointment of Fran Craig, CEO of Unanet, as its newest board member.

"We are pleased to welcome Fran, who brings a valuable perspective as an entrepreneur, Loudoun county business leader, and dedicated advocate for STEM education," commented Amy Burke, board chair.

Ms. Craig is the Chair and CEO of Unanet, a leading provider of Cloud and On-Premise software for project-based organizations. Fran reengineered her first company, Computer Strategies, a professional services organization into Unanet, which has over 1000 customers and achieved 20% year over year growth over the last ten years. Unanet develops and supports its software entirely in the United States.

In 1997, Fran designed the original concept of the web-based time sheet. Since 1998, Fran has established Unanet as a leading vendor of web-based ERP software. She has led the company's strategy and positioning, recruited the Unanet management team, board members and advisors, won key customers, and developed alliances.

Fran holds a Bachelor of Science in Mathematics, Physics and Chemistry from St. Mary's College in Notre Dame, Indiana. She is very involved in the government contracting and Loudoun business communities. Recently, she was named a finalist for the Loudoun County Chamber 2017 Executive Leader of the Year. She is an honorary trustee of the Loudoun Education Foundation and serves on the Board of STEM for Her.

About the Children's Science Center:

The Children's Science Center's mission is to instill a love of learning science, technology, engineering, and mathematics (STEM) in all children by providing unique opportunities to explore, create and be inspired. The Children's Science Center Lab is located at Fair Oaks Mall and is Northern Virginia's first interactive museum where children, families and school groups can explore STEM concepts through fun, engaging hands-on exhibits, activities and programs. In addition to the Lab and community programs, the Center is working to fulfill the vision of a full-scale, world-class children's science museum to be located in Dulles, VA. The Children's Science Center is a 501 (c)(3) non-profit organization. Learn more at www.childsci.org.
