

# Why choose Smart Pension?

1

## A better experience

We use cutting-edge technology to give you a fast, easy-to-use, modern service. Your Smart Pension account helps you save and plan for your future.

2

## A safe pair of hands

A group of independent trustees manage your pension scheme. They look after your interests and work for you. We've received investments from global financial giants Barclays, J.P. Morgan, Natixis, Link Group and Legal & General Investment Management.

3

## Smart Pension app

Manage your pension savings anywhere, at any time with the tap of a finger. You can find the app on the App Store and Google Play.

4

## Smart Rewards

Free, unlimited access to over 1,200 discounts at major retailers across the UK. You could save over £400 a year.

5

## Our sustainable investment approach

We look to invest with a conscience, while growing members' savings. We believe that we can help you to create a world that we all want to retire in – supporting profitable companies that build a sustainable, safe and stable future for society and our planet. 6

## Good value for money

We offer a transparent charging structure making sure we offer good value for money.

7

## All the information you need to make decisions about your pension with confidence

We have a dedicated member area at [www.smartpension.co.uk/member](http://www.smartpension.co.uk/member). We also provide you with a simplified two-page pension statement every year, so that you can easily stay up to date with your pension savings. You can also join our member webinars to hear from the trustees, ask questions and provide feedback.

8

## Excellent customer service

You can reach us by phone, email, or live chat.

9

## Financial wellbeing for members

We provide meaningful financial support for all members because it's important to us that our members feel comfortable with their money. [www.smartpension.co.uk/financial-well-being](http://www.smartpension.co.uk/financial-well-being)
