

# Smart Rewards

Helping your money go further

November 2023

# Smart Rewards

## Our way of saying thank you

Smart Rewards gives employees free, unlimited access to over 1,400 discounts at almost every major retailer in the UK, on everything from shopping to the cinema to holidays. Over a year members could save up to £600. We know that saving for the long term is important, but so is making the most of your money today and we want to help members do both.

## With Smart Rewards you could save up to:

Supermarkets

Travel and holidays

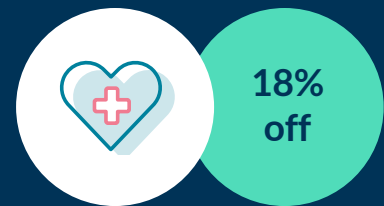

Food and drink

Electrical

Fashion

Health and fitness

# Why do I get all this?

## Where's the catch?

There are no catches. We truly believe saving for retirement is a great thing, and Smart Rewards is a way to help our customers with new and exciting ways to save money. We know that saving for the long term is important, but so is making the most of your money today – we want to help you do both.

### How does Smart Rewards work?

To sign up for Smart Rewards simply sign in to your Smart Pension account, click **Menu**, select **Extra services** and then **Smart Rewards**. Sign up using the email address you used for your Smart Pension account.

Once you've successfully signed in, save the webpage as a favourite so you can easily access it next time you want to sign in to Smart Rewards. If not, you can sign in using the same route above, but instead of re-entering your details, click **Login** and then **Sign in**.

Smart Rewards provides a range of ways to get the best deals:

1. **Digital vouchers and cashback** – the money you save builds up in your own digital wallet, which can be paid onto a prepaid Mastercard or transferred to a bank account of your choice.
2. **Discount codes** – ready to use at any online checkout.

# Example saving: save over £300 a year\* on your grocery shopping

In 2023, the average UK family spent around £560 per month on supermarket shopping. Smart Rewards saves you up to 5% at all the major UK supermarkets including Tesco, Marks and Spencer, Morrisons, Asda and Sainsbury's. This means you could save over £300 during the year on your everyday shopping – and there are many more offers available.

## Save money at the most popular retailers in UK

These are examples of the offers available with Smart Rewards, although these may change from time to time. Register now and we will keep you up-to-date with the latest savings available.
