# CHANGO SPASIUK

## HIS MUSIC, HIS CULTURE, HIS LAND

**Horacio “Chango” Spasiuk** was born in September 1968 in Apostoles, a small village in Misiones, a rural north-eastern province of **Argentina**. Set in the frontier region bordering southern Brazil and Paraguay, this exceptional melting-pot area offers a sub-tropical climate with its fertile dark red ground where mate grows. Until the 17<sup>th</sup> century, this region was inhabited by indigenous Guarani communities. Misiones was discovered in 1541 by Spanish people and Jesuit monks’ landing in 1609 disrupted the indigenous cultural environment. They were thrown out of the country following the king’s order. This event ended the provincial golden age: after lootings, the Portuguese and Brazilian invasions and the armed conflict with Paraguay. Although the area finally gained a form of autonomy in 1881, it was barely inhabited as a consequence of a century of nearly continuous conflicts. Argentina opened its borders and Misiones welcomed European settlers mainly Germans, Russians, Ukrainians, Poles, Scandinavians and Central Europeans who built up villages, mixing with the remaining natives. Those settlers brought with them accordions and polka.

**Chamamé** was born from the reunion of the indigenous world and the old continent. It is a traditional and rural music played by bands of 2 to 5 musicians integrating the accordion or the bandoneon, the violin, the guitar, the cajon and sometimes the double bass. This cadenced and bouncing music involves soft and poetical hints and is suited to dance. You can sing or recite chamamé, it expresses landsman’s feelings: landscapes beauty, love, nostalgia, life’s roughness...

Although music belonging to Argentina’s folklore is often disparaged, it gathers a wide range of wealthy forms. A few great artists were and still are fervent defenders of this diversity revealing it in their country and worldwide. **Chango Spasiuk** is one of them, the unquestionable **chamamé**’s master, known by all in South America.

Grandson of Ukrainians migrants, he was soon surrounded by eastern Europeans musical influences combined with **chamamé**. Indeed his father, a violinist, and his brother, a guitarist and singer, used to host wedding receptions and other balls in their hometown. He received his first accordion as a gift from his parents at the age of 12. “I’ve learned to play accordion away from conservatoires”, he says. “The day my father gave me my first instrument, I’ve never stopped playing it”. Soon recognized as a virtuoso, **Chango Spasiuk** could have settled for week-end dances animation and he would have made a pretty decent living out of it. He rather chose, without denying the tradition, to push back the limits of the artistic style. He is now a regular guest for Argentinean rock stars and he is a worldwide performer who overcame Argentina’s cliché of only being a land for tango.

**Chango Spasiuk** has not only already played in several European countries (United Kingdom, Germany, Poland, Austria, Belgium, France...) he has also performed in Asia and in the United States. From venues in theatres to concerts in traditional, world or even jazz music festivals, he contributed to noteworthy events in jazz festivals from Montréal to New York. Chango Spasiuk has collaborated with a wide range of artists such as Kronos Quartet, Cyro Batista, Kepa Junkera, Carlos Nunez, Lila Downs, Bob Telson, Bobby Mc Ferrin, Raul Barboza, Mercedes Sosa... In each venue he takes part in, the audience, music professionals and journalists are captivated. They meet the artist and the man, a musician enjoying a complete artistic freedom in his creations who delivers compositions going beyond his own boundaries, therefore urging on a total universality. In the last two decades he recorded about ten albums on his behalf. The upcoming LP was recorded live in October 2013 at “Teatro Colon” in Buenos Aires (the famous opera house in Argentina’s capital), getting a full house of 3500 audience members. Now more than ever, **Chango Spasiuk** wishes to develop his international career in order to disclose more and share this music he embodies with modernity, innovation and high standards.

“Chango Spasiuk is chamamé’s spectacular new champion”

**Simon BROUGHTON, EVENING STANDARD**

“Will fill your living room with light”

**Charlie GILLET, THE OBSERVER**

“Few artists can match the impact of Chango Spasiuk's recent triumphant 'arrival'”

**Jon LUSK, FROOTS**

“Great artistry, virtuoso talents... It's a deep, unfettered joy to indulge in Chango's masterpieces”

**Chris MOSS, SONGLINES**

“A contagious sense of bonhomie that transcends region-specific cultural roots”

**Ernesto LECHNER, CHICAGO TRIBUNE**

“...[he uses] the chamamé vocabulary to highly inventive effect, with sighing accordion and romantic violin creating elegiac sound pictures, before Spasiuk's impulsive fingerwork sweeps everything breakneck to the dancefloor”

**Mark HUSON, THE TELEGRAPH**

“Spasiuk has revitalised the music's barn-dance traditions to create something thrillingly modern and cosmopolitan. (...) It is Spasiuk's spirited virtuosity that generates the atmosphere... In such hands, the charm of chamamé is irresistible”

**Nigel WILLIAMSON, THE TIMES EYE MAGAZINE**

“I can think of few better ways to spend an hour than with this, one of the very finest albums of the year”

**Jon LUSK, BBC**

“Far from sounding rustic or rural, the mostly instrumental, acoustic work boasts a sophisticated sound that infuses earthy traditions with jazz influences and classical touch”

**LOS ANGELES TIMES**

“Spasiuk's music has a grace and a romanticism that make it irresistible... played with tremendous soul”

**BILLBOARD**

“Spasiuk is one of the great originals of the Latin music scene... [he plays] with subtlety, elegance and sophistication”

**THE GUARDIAN**

“gorgeous... at once nostalgic and contemporary”

**THE TIMES**

“Spasiuk's version of chamamé... dresses up the old rural dance tunes, with chamber music tinged arrangements that use sighing violin lines and delicate accordion voicings, along the lines of what the towering Argentine composer Astor Piazzolla did with tango. But Mr. Spasiuk also preserves the music's six-beat bounce and vitality, with passages that huff and scurry the length of his keyboard.”

**NEW YORK TIMES**

“Not unlike what Astor Piazzolla did for tango, Spasiuk and his telepathic band elevate what was a simple dance music into something exquisite that can evoke jazz or classical while preserving its country charms.”

**NEWSDAY NEW YORK CITY**

“His [accordion] is a magic box that breathes, stirring the stilted, conditioned air inside the Kennedy Center, as the chandeliers weep and even the ushers prick up their ears, while outside the Potomac river turns into the coffee-hued, snaking Rio Parana.”

**ATHUR MAGAZINE**

“A virtuoso player, Spasiuk stretches the vocabulary of the genre, coming close to avant-pop yet always staying true to the feel and the spirit of chamamé.”

**JAZZIZ**
