Are You Hungry?

SUPPLIES

- Lunch bags
- Crayons
- Cheese and cracker packets
- Fruit cups
- Disposable spoons
- Granola bars
- Water bottles
- Napkins

Join together at a table. **What did Jesus do when the people were hungry? That's right—He fed them. God knew the people were hungry, and He provided for them. Can you think of anyone in our world who might be hungry? Let's take a moment to think about the ways we can respond to God's great love for us and care for people who may be hungry today.** Allow kids time to think, then ask them to share some things that came to mind. **Jesus showed us how to take care of others. One way we can care for others is to provide food for people in need.**

Explain that you are each going to fill a bag with food to give to someone who needs it. It might be someone they know or a stranger. First, encourage everyone to draw a picture on their bag. After they've finished coloring, line them up and have them fill their bags with one of each food/drink item. When the bags are filled, pray over the bags. Pray as the Holy Spirit leads you. Optional: Distribute the bags to a local shelter or food bank.

Pass the Bread

SUPPLIES

- Ball
- Upbeat music

In an open area, sit down in a circle. **When Jesus saw that the people were hungry and needed food, He gave food to the disciples to pass out to the crowd. I'll bet passing out all that food was a big job! Hold up ball. We're going to pretend this ball is a loaf of bread. I will turn on the music, and you're going to pass the “bread” around the circle. The person holding the bread when the music stops will need to stand up and say, “God is Provider!”**

Hand the ball to someone and start the music. Stop the music at intervals, inviting the person left holding the ball each time to stand and say, “God is Provider!” Pass the ball as fast as you can, and keep track of how many times they get it around the circle before you stop the music.
