

## Hebrews 11 "Heroes of the Faith" Activities

### **"Faith Hero" Medal Craft:**

#### **Supplies:**

- pre-cut paper circle
- markers/crayons
- stickers, glitter, etc.
- glue

Make your own "faith hero" medal or ribbon. Provide your kids with a pre-cut paper circle and allow them to decorate with markers, stickers, glitter, etc. Write "Hero of Faith in the Living God," on each paper circle. Attach a string so your kids can wear or hang medals, if desired.

### **Test of Faith:**

Scatter 4-5 chairs or large objects across the floor of a room in your house. Have your kids sit by the wall or on one end of the room. Choose one of your kids to go first. Blindfold the volunteer. While the everyone else watches, lead the blindfolded child around the room safely avoiding all of the chairs you have scattered there. Remove the blindfold. Explain as you are doing this that this is how God leads us through life. Sometimes we are unaware of dangers or problems around us, but God is always there, helping us through them. We can have faith in God. Repeat until all children have had a turn.

**Say a prayer and thank God for all He has given. Thank Him for Jesus and ask for help in your faith, as well as understanding and assurance of His power in our lives.**
