

PERFORMANCE STRONG EMPLOYEE GIVING CAMPAIGN

WHAT IT IS

Performance Strong is a year-long employee giving campaign supporting local non-profits selected by each of our regional offices.

We've made a commitment to build better, and that includes our communities. That being said, Performance has pledged to match each employee's donation dollar for dollar.

HOW IT WORKS

Each office and job site will distribute donation forms to their employees.

Employees can choose to make a one-time payroll deduction or a recurring donation to be deducted each pay period through July 22, 2022.

Completed donation forms should be sent directly to the payroll department at:

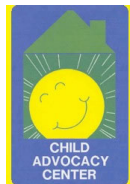

payroll1@performance-contractors.com
