About Bambuser AB
Bambuser was founded in 2007 as the world’s first company with a platform for interactive mobile live video streaming and is a leading supplier in the live video segment. In 2019, Bambuser introduced Live Video Shopping, which enables live shopping directly on different brands’ websites. Bambuser is listed on Nasdaq First North Growth Market and has its headquarters located in Stockholm.

IMPORTANT INFORMATION
The information in this press release does not contain or constitute an offer to acquire, subscribe or otherwise trade in shares, subscription rights or other securities of Bambuser AB (“Bambuser”) in any jurisdiction. This press release may not be released, published or distributed, directly or indirectly, in or into the United States (including its territories and provinces, every state in the United States and the District of Columbia, (“United States”)), Canada, Australia, Japan, Hong Kong, New Zealand, Singapore, South Africa, Switzerland or any other jurisdiction in which such action would be unlawful, is subject to legal restrictions or would require other measures than those required by Swedish law. The information in this press release may also not be forwarded or reproduced in a way which is in violation of such restrictions or would require such measurements. Actions in violation of these restrictions may constitute a violation of applicable securities laws.

The securities mentioned in this press release have not been registered, and will not be registered, under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”) or the securities legislation of any state or
other jurisdiction in the United States and may not be offered, subscribed for, exercised, pledged, sold, re-sold, allotted, delivered or otherwise transferred, directly or indirectly, in or into the United States.

This press release may contain certain forward-looking statements which reflect Bambuser’s current view on future events and financial and operational development. Words such as “envisaged”, “intend”, “assesses”, “expect”, “may”, “plan”, “consider”, “estimate” and other expressions which imply indications or predictions of future development or trends, and which are not based on historical facts, are intended to identify forward-looking statements. Forward-looking statements inherently involve both known and unknown risks and uncertainties as they depend on future events and circumstances. Forward-looking statements do not guarantee future results or development and the actual outcome could differ materially from the forward-looking statements.
