Contextual Formation Registration Form (MDiv and MAML)

(to be filed with the Registrar’s Office after placement approval by Contextual Formation Office)

The MDiv and MAML programs both require 3 noncredit components of Contextual Formation, normally taken in the following order:

- Two semesters (or equivalent) of **Ministerial Field Work**) -- normally in Year 1 of full-time study
- A basic unit of **Clinical Pastoral Education (CPE)**, unless approved to take CXT 420 Critical Reflection instead – normally in Summer following first year of full-time study
- Two semesters (or equivalent) of **Ministerial Immersion** (normally **Internship** for ELCA students) – normally in 3rd or 4th year of full-time MDiv study or final year of MAML study

Each is graded pass/fail, based on evaluations submitted by the student and site supervisor.

Registration (complete and submit a separate form for each Contextual Formation component)

1. Read and understand details concerning each noncredit contextual formation requirement, as found at <http://my.uls.edu/contextual-formation/>.
2. Complete and submit via email to: contextualformation@uls.edu
3. Contact the Contextual Formation Office to discuss questions or special considerations (like geographical restrictions) of the contextual formation process. All required paperwork, per the Contextual Formation web page above, is to be submitted to that office.
4. Once the Contextual Formation Office has approved an appropriate placement, this form (separate form for each component of Contextual Formation), will be submitted to the Registrar’s Office by the Contextual Formation office. If the placement extends over two or more semesters, indicate all terms on this form, and all will be pre-registered at the same time.
