

**For Immediate Release**

## **Agreement with SMS**

**Melbourne, Australia** (11 June 2004) - In line with Adacel's strategic restructure announced on Friday (11 June 2004), Adacel has signed an agreement to novate to SMS a number of non-core service contracts and transfer a number of staff.

The move is part of Adacel's strategy to focus in Australia on its internationally successful products and technologies in defence and aviation, including the Joint Strike Fighter program.
