

MESSAGE FROM THE AFF CO-FOUNDERS AND BOARD OF DIRECTORS

In accordance with the governor's order today canceling all large events in the State of Maryland, amid growing health concerns as the COVID-19 outbreak continues to spread, we will not be presenting the Annapolis Film Festival 2020 event in the traditional way.

Organizers and the Board of Directors of the festival are working hard considering a number of creative alternatives to the event. "While we are disappointed that our AFF audience will not have the opportunity to experience the films on the big screen, we understand we have a moral responsibility to protect the health and safety of our community." said Patti White, Co-Founder of the festival.

"This is a difficult time for all of us involved, said Lee Anderson," we are grateful for your understanding, loyalty, and continued patience during this challenging time."
