4 Below is a list of enhancements that can be done to your slides. These enhancement options are optional. If you do want this service please checkmark the option you would like and add up the price of that service. If you have certain slides in your order that you want enhanced please indicate them so we will know which ones you want enhanced. If you do not want this service then you can skip this step.

Please Note: The prices below are on top of the scanning prices on Page 1.

Sharpen: \$0.05 per slide
Sharpeness defines edges and details in images.

Color Correction: \$0.25 per slide
Sometimes age gets to slides and can shift colors of your image. Color correction will adjust the colors of your image to make them how they naturally should look.

High Dynamic Range (HDR): \$2.50 per slide
What is HDR? HDR is a photograph captured at different exposures and then blended together which reveals details in shadow and highlight areas. You will receive 5 images at different exposures -2 -1 0 +1 +2
This is a great option if you want to edit your slide for an HDR look.

Images in RAW: \$1.00 per slide
What is RAW? Raw is an uncompressed file for editing purposes. You will receive a DNG file which is compatible with Camera RAW 7.1 and later. This is a great option if you want to have full control of editing for your image.
