

Chris Meroff Biography

Author, speaker and entrepreneur, Chris Meroff, has made a career of testing new leadership ideas to see what works—and what doesn't—in service-oriented leadership. What he has gleaned from his research has helped him build a fast-growing organization with a diverse and engaged workforce that understands the mission of his organization and their place in it.

His business, Alignment Leadership Consulting, exists to teach leaders how they too can boldly pursue a workplace culture that prioritizes employee fulfillment.
