

Apartments/Mobile Home Service Agreement

Service Agreement

NorthStream Fiber, provided by Roseau Electric Cooperative, Inc., will provide to you the agreed upon services indicated below. We will bury the fiber optic to your house for a pre-paid \$150.00 contribution, which does not include your monthly charges. If the fiber optic has been buried to your house already, you will still be required to pay the \$150.00 contribution. If you are moving out of this address, you will receive a refund once the equipment has been returned to our office. The refund is as follows: ONT (must have)-803/812 receive \$100.00. Wireless routers (optional) – 844e \$115.00, Blast \$205.00.

Termination and Early Termination Fee

You may terminate this agreement for all of the listed services at any time by calling NorthStream Fiber at 218-463-1543 or 888-847-8840. In addition to the corresponding monthly charge, any applicable late fee, equipment fees, and taxes may be applied. NorthStream Fiber requires that the Optical Network Terminal (ONT) and batteries, if applicable, be returned to our office before any disconnection of service can be completed. The subscriber is responsible for notifying NorthStream Fiber to schedule an appointment for our technician to remove the equipment within 30 days of discontinuing service. The subscriber is responsible for any damage to the ONT or battery. Subscribers will be billed \$300 for a damaged or unreturned ONT and \$100 for a damaged or unreturned battery unit.
